About The Law Student Academic Chapter

The Law Student Academic Chapter (LSAC), previously known as the Student Law Council of Potchefstroom (SLCP), serves to facilitate communication between the Faculty of Law and its' students. All students that are registered for a qualification in either L.L.B, BCom Law or B.A Law are served by the LSAC.

The Chapter assists with small tasks such as general organization and communication, as well as bigger tasks such as the integration of students in the faculty and on campus, the motivation to participate in a balanced and vibrant student life, as well as assisting students with problems, complaints, and uncertainties.

Vision

The vision of the Law Student Academic Chapter is to make sure that student interests are realized effectively and sustainably in all spheres of the university. Not just in the current term, but in those to follow; by leaving a legacy of excellence and service, which will give rise to longevity. This is because the next person to lead, who will have served on the Chapter before, will have been groomed and empowered to know exactly how to effectively serve students, as well as build on the foundations that will be continued to be laid in the current term.

Mission

The mission of the Law Student Academic Chapter includes empowerment, inclusivity and excellence. We strive to be a committee that students can rely and count on for effective results when they have academic concerns and with introducing them to the many avenues within the law that they can explore. We want to cultivate these sentiments so effectively, that this is what comes to mind when one thinks of the Law Student Academic Chapter.
