This LLB degree programme is also offered as a second degree for students already in possession of a BA in Law or a BCom in Law. Career opportunities includes working as an attorney, advocate, state prosecutor, magistrate, working in government, commercial sector or legal advisor.

- First Additional language at level 5 (60-69%)*

LLB Extended programme

The differences between the four year LLB and the extended LLB are that the law modules are spread over a period of five years rather than four and that in the first year specific modules are included which bridge the gap between school and university and will enhance the skills needed to be able to successfully complete the degree. The career opportunities are similar to those of the four-year LLB degree.

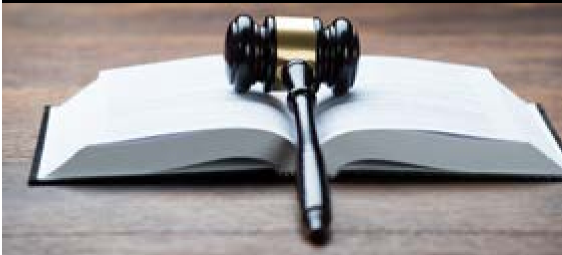
Duration: 5 years

Offered on Mahikeng Campus (MC)
Qualification code: 6XA H01

Minimum requirements for applications

- National Senior (Certificate) or National Certificate (Vocational) for degree studies, or with full matriculation exemption
- An APS of 28
- Home Language passed at level 4 (50-59%) and First Additional Language at level 4 (50-59%)

In the extended programme, the first year of the regular LLB curriculum is spread over two years, following the DHET's (2012) model 2 where students' first-year curriculum is taken over two years with the incorporation of substantial foundational provision. In their third year students join the regular mainstream LLB programme on second-year level. Years 3 to 5 of the extended programme correspond with years 2 to 4 of the main 4-year LLB curriculum.



LLB as a second degree

Duration: 2 years

If the candidate has already obtained a BA in Law or B Com in Law, the study period is 2 years. If the candidate has obtained another three-year degree with fewer law modules, the minimum duration is 3 years.

The curriculum more or less comprises of the remainder of modules prescribed for the 4-year LLB, which includes law, language and language proficiency modules not passed during the first degree.

LLB

Hierdie LLB-graadprogram word ook aangebied as 'n tweede graad vir studente wat reeds 'n BA in Regte of 'n BCom in Regte het. Loopbaangeleenthede sluit in om as prokureur, advokaat, staatsaanklaer, landdros, in die staat, kommersiële sektor of as regsadviseur te werk.

Duur: 4 jaar

- Taalvereistes: Huistaal vlak 5 (60-69%)
- Eerste addisionele taal op vlak 5 (60-69%)

Verlengde LLB-program

Die verskille tussen die vierjaar LLB en die verlengde LLB is dat die regsmodules oor 'n tydperk van vyf jaar eerder as vier jaar versprei is en dat spesifieke modules in die eerste jaar ingesluit word wat die gaping tussen skool en universiteit oorbrug. Dit verbeter ook vaardighede wat nodig is om die graad suksesvol te voltooi. Die loopbaangeleenthede is ongeveer dieselfde as vir die vierjaar LLB-graad.

Duur: 5 jaar

Aangebied op Mahikengkampus (MK)
Kwalifikasiekode: 6XA H01

Minimumvereistes vir aansoeke:

- Nasionale Senior (Sertifikaat) of Nasionale Sertifikaat (Beroepsgerig) vir graadstudies, of met volle matriekvrystelling
- 'n APS van 28
- Huistaal geslaag op vlak 4 (50-59%) of Eerste Addisionele Taal op vlak 4 (50-59%)

In die verlengde program word die eerste jaar van die gewone LLB-kurrikulum oor twee jaar aangebied aldus model 2 van die DHOO (2012), wat bepaal dat studente se eerstejaar kurrikulum oor twee jaar geneem word met wesenlike grondslagvoorsiening daarby geïnkorporeer. Studente sluit dan in hul derde jaar by die gewone LLB-hoofstroom program op tweedejaarsvlak aan. Jaar 3 tot 5 van die verlengde program kom dus ooreen met jaar 2 tot 4 van die gewone vierjarige LLB-program.

LLB as tweede graad

Duur: 2 jaar

Indien die kandidaat reeds 'n BA in Regte of BCom in Regte behaal het, duur die studie 2 jaar. Indien die kandidaat 'n ander driejarige graad met minder regsvakke behaal het, is die minimumtydperk 3 jaar.

Die kurrikulum behels die restant van die voorgeskrewe vierjarige LLB-kurrikulum; ingesluit die regs-, taal- en taalvaardigheidsmodules wat nie tydens die eerste graad geslaag is nie.
